This eBook was produced by: John Bickers and Dagny

Production note:

This text was prepared from an undated edition. There are two facts that imply this edition was published before 1900. Firstly, the first chapter refers to cyclones in 1864 and 1867 as recent events. Secondly, the book is interleaved with pages of notepaper for readers to add their own recipes, and one of these recipes ends with a note that the recipe was cooked in 1899.
