PREFACE

All persons like stories. Children call for them from their earliest years. The purpose of this book is to provide children and youth with stories worth reading; stories relating incidents of history, missionary effort, and home and school experiences. These stories will inspire, instruct, and entertain the readers. Nearly all of these have appeared in print before, and are reprinted in this form through the courteous permission of their writers and publishers.

"Stories Worth Rereading" can be obtained only as a premium with the *\_Youth's Instructor\_*, a sixteen-page weekly, published by the Review and Herald Publishing Association, Takoma Park, Washington, D. C.
