Freedom of Expression in our Contemporary Situation and its Impact on the Community.

Abstract: Allah honored the human beings, He mad them the controllers of earth. God did honor to the human being's brain and cognition therefore they were distinguished from other creatures.

Islam came as an international religion for all human beings. Its concepts & laws ensure freedom of the human beings; the Freedom of opinion is an example.

Freedom of opinion plays a very important role in nations & peoples life. Indeed freedom of opinion which we calls is the one Islam wants and blesses, stimulates on her, and establishes Muslim personality firstly, the adequate society Muslim secondly,

That restrictive freedom, restricted from shareea ... restrictions controls and
