### **The understanding for the different problems Formulated in fatalism**

**Abstract** :This research was designed in different requests including important issues in fatalism problems and described its misunderstanding and its meaning forms among publics. The study revealed a group of creed mistakes, which considered as a doctrinal for the deviated or strayed groups. Treatments of these problems were considered as follow:

- Corruption of protestation by determinism on the disadvantages.
- Truth of protestation by determinism on the casualties.
- Corruption of who allege that invocation, ensure and work has no avail throughout fatalism.
- The necessity to discriminate between fate, lot, determinism and accomplished which never compromise between them.
- Manifestation of fatalism that induce for work, derive out from being lazy adding to that there is no desperation and despair with fatalism.
